NARRATOR: Ladies, Gentlemen and Kids... I present to you the incredible story of: The Fairy, The Wizard, The Magic Cat and the Horrible Monsters!

(music)

Well, once upon a time there were three Magicians. A Fairy *(she comes in)*, a powerful and *(looking at the Fairy smiling and posing like a model)* oh yes, a very beautiful Fairy! There was a Wizard *(he comes in)*, a powerful and *(looking at the Wizard who shows his muscles)* oh yes, a very strong Wizard! Then, there was a Magic Cat *(he comes in slowly and yawning)*, a powerful and *(looking at the Magic Cat who was going to sleep after the entry)* and... a very lazy Magic Cat... *(he continues to sleep)* ... a very lazy and sleepyhead *(then, with loud voice)* Magic Cat! *(he continues to sleep)*... a very lazy and sleepyhead and

lethargic *(then, with very loud voice)* MAGIC CAT!!!! *(he wakes up immediately with an enormous MIAOW)*. Well... each thought, "I am the greatest in the world." And each was very jealous of the other two.

WIZARD: MY wand was made with the hardest rock of the MOON!

FAIRY: MY wand was made with the shiniest ray of the biggest STAR!

MAGIC CAT: MY wand was made with the most perfumed litter in the PET'S WORLD!

WIZARD: I can touch a wrestler and turn it into a teddy bear!

FAIRY: That's nothing, I can kiss a teddy bear and turn it into a face powder!

MAGIC CAT: I can do better than that, I can blow the face powder and turn it into a terrible alarm clock!

NARRATOR: Each one always tried to outdo the others! So, bellowed the Wizard...

WIZARD: I can make a hairy monster with sharp teeth!

(the hairy monster comes in)

NARRATOR: Then the Fairy screeched...

FAIRY: I can make a bumpy monster with nine legs!

(the bumpy monster comes in)

NARRATOR: And the Magic Cat yelled...

MAGIC CAT: I can make a dotted monster with buggy eyes!

(the dotted monster comes in)

HAIRY M.: I'm the most frightful monster in the city. And I'm always hungry!

BUMPY M.: I'M the most horrendous monster in the COUNTRY! And I'm always thirsty!!

DOTTED M.: I'M the most dreadful monster in the WORLD! And I'm always... SLEEPY!!! *(and he yawns)*

HAIRY M.: Who did evoke me while I was having my Sunday lunch?

BUMPY M.: Who did evoke me while I was drinking my favourite juice?

DOTTED M.: Who did evoke me while I was sleeping and dreaming?

NARRATOR: The three horrible monsters looked around to discover who was at fault in this situation while the

magicians looked around for an escape. Then the monsters glared at the magicians and loudly said...

MONSTERS:GRRRRRRR!!!! We're going to catch you!

HAIRY M.: I'm going to eat your toenails!

BUMPY M.: I'm going to drink your tears!

DOTTED M.:I'm going to make you my pillows!

NARRATOR:For the first time the magicians agreed.
And they shouted together...

MAGICIANS: "RUN FOR OUR LIVES!"

(music while Narrator talks and Monsters chase the magicians)

NARRATOR:*(speaking on the music)* They all ran and ran, and after three days... the Hairy Monster stopped himself for eating a bit of nettle, the Bumpy Monster stopped himself to drink in a puddle and the Dotted Monster stopped himself to... sleep, obviously! Meanwhile, the magicians, with no more breath, stopped themselves too for talking each other. They decided to do something, finally! But the monsters, reinvigorated, started again to threaten the magicians with scream and shout...

(stop music and monsters scream and shout)

NARRATOR:So, the Wizard gasped...

WIZARD: I will make many clouds and a lot of rain to hide behind!

(sound of rain)

NARRATOR: But that didn't stop the monsters.

(monsters continue screaming - the sound of rain stops)

NARRATOR: Then, the Fairy puffed...

FAIRY: I will make a lot of thunders to scare them!

(sound of thunders)

NARRATOR: But the monsters were not frightened.

(monsters continue screaming - the sound of thunders stops)

NARRATOR: So, the Magic Cat cried...

MAGIC CAT: I will make lightnings. A lot of enormous lightnings. That will make them go away!

(sound of lightnings)

NARRATOR: But they would not go away. Nothing worked and the monsters started to laugh!

(monsters laugh and sneer - the sound of lightnings stops)

NARRATOR: In these moments the magicians understood...

WIZARD: Probably, we'd better...

FAIRY: Yes... try something....

MAGIC CAT: ...together!

NARRATOR: So they connected their wands and chanted in magician language...

MAGICIANS: One, two, three... lightning and rain, clouds and thunder the three monsters get so wet and become only... three pets!... GO!

(sound of rain thunders and lightnings)

NARRATOR: Suddenly it rained. It rained so hard and the monsters got so wet that they shrank until they became so little not scaring at all. The Magicians cheered and laughed.

MAGICIANS: We did it! We did it!

FAIRY: *(looking at the monsters)* Oh, now they're so cute! I'm bringing my monster at home!

(she takes the hand of Bumpy Monster, and the other Magicians take the hands of the other ones)

WIZARD: I must say, though, we won because MY wand made the rain!

FAIRY: Well, I say that we won because MY wand made the thunder.

MAGIC CAT: But without MY wand that made the lightning... we would have lost!

MAGICIANS: *(arguing)* It was my merit! No, it was mine! No, no my wand is the best! No, no...

(the Magicians go away with their Monster always arguing - music)

NARRATOR: Once upon a time there were a Fairy, a Wizard and a Magic Cat. They argued a lot, for everything, night and day. But deep down they were good friends and we understood it very well!

(final music, the children come in for the greetings)

THE END

MATERIAL

- elastic band black or white;
- cardboard for masks (monsters) and hats (magicians): green - yellow - orange - silver - gold - black - (we can use also white cardboard or other colours, the important is 6 different colours);
- marker pens: two/three black, and others in many different colours;
- scissor for children;
- scotch tape;
- stapler with many staples;
- three wands (I think that in some toy store I can find them)... or I can use some other no expensive material.

I can buy some material if you don't get it and then you will return to me the money. Obviously I'll try to pay the lesser possible.

During the staging I need only of a CD player a little bit powerful.

The room must allow the entry in front of the public or also lateral but not where the public probably will be sitting.
